## Rounding to the Nearest 1000

---

Instructions: Round the numbers below to the nearest 1000.

2,671                      2,446                      3,078                      7,130

4,684                      5,226                      1,972                      7,671

4,611                      1,131                      6,206                      2,108

917                              257                              4,015                      5,175

---

64,764                      10,909                      37,583                      85,484

73,187                      15,358                      69,534                      80,326

36,825                      69,183                      76,134                      89,461

33,192                      37,086                      36,512                      60,756

---

678,897                      395,889                      321,347                      857,809

733,499                      630,529                      779,367                      626,382

## Rounding to the Nearest 1000 Answers

---

Instructions: Round the numbers below to the nearest 1000.

2,671	2,446	3,078	7,130
3,000	2,000	3,000	7,000

4,684	5,226	1,972	7,671
5,000	5,000	2,000	8,000

4,611	1,131	6,206	2,108
5,000	1,000	6,000	2,000

917	257	4,015	5,175
1,000	0	4,000	5,000

---

64,764	10,909	37,583	85,484
65,000	11,000	38,000	85,000

73,187	15,358	69,534	80,326
73,000	15,000	70,000	80,000

36,825	69,183	76,134	89,461
37,000	69,000	76,000	89,000

33,192	37,086	36,512	60,756
33,000	37,000	37,000	61,000

---

678,897	395,889	321,347	857,809
679,000	396,000	321,000	858,000

733,499	630,529	779,367	626,382
733,000	631,000	779,000	626,000
